-Among the new inventions that merit popularity, and will be found of practical economy, is Lockwood's patent carburetter for saving gas. The Arbeat of a success for the entertainment, financially, that will be a deserved compliment to Mr. Hogg, the beneficiary. This gentleman has made friends for himself in this city by his many disintent at kindnesses in contributing value.

—If the health commissioners of the city would spend an hour or two on Main and Second streets, between twelve o'clock midnight, and daylight—the hours when those intolerable night-carts are running—they would be convinced that these carts are doing more mischief in removing the filth in leaky boxes.

The Bartlett movement means good and capable men for office, and to that end it is carnestly to be hoped that none but good men will be elected delegates to the convention.

Who will wear it? That sweet baby dress given by B. Lowenstein & Bro., for the baby show on the 24th (next before the convention. found that his coal-oil magazine (lamp)
was improvising a first-class conflagration, and his arrival at that hour proved
most opportune, for ten minutes later
perhaps the infernal thing would have
caused a complete destruction of the
house and contents, from which his wife
and children could have barely escaped.
It is hardly necessary to add that the
mischief-making luminary went out at
the window followed by a few marks

-We have no papers to give away.

We need our exchanges. Go to the news-stands and buy. Don't come to a newspaper office to borrow. It is a personal windcules of the nule to ne at to J. R. Godwin a Co., 28 Frost phus.

M. ANDERSON.

The night of Jane Hitb, one gray gray bores mule, about H yours refer, and badly marked by hars.

Altheral reward with pundance, and the volunteer fire company, No. 7, and served as president five years. In two years, he says, he obtained the lot on Desoto street and had crected the have no single moment to read papers.

We have no papers to give away.

We need our exchanges. Go to the news to look over the paper a minuit."

"Entrors Appeal at my boarding-house, but the other bearders go for it with such fercity that I ordered the Account of the publishers.

June 14th, 1854, Esquire Miller organized the volunteer fire company, No. 7, and served as president five years. In two years, he says, he obtained the lot on Desoto street and had crected the have no single moment to read papers.

during the rest of the day. Won't you insist on each boarder, at each boarding-house paying for his own paper? They should never touch the paper of a business man who is a gentleman and unwilling to show how much he is annoyed by the selfishness of newspaper deadbeats.

"DOWN TOWN."

-The boarding-houses will thank us for telling them that in "the spring and early summer milk is apt to have a garlicky or onion-like flavor from some odorous shrub eaten by the cows. To absorb this peculiar taint drop a piece of wood-charcoal, three or four inches square, into each pan of the fluid, or into the milk-pitcher for table. The carbon very quickly deodorizes the milk, leav-ing it award and correing it sweet and pure.

-Commencement day at St. Agnes is an event in the annual progress of things in Memphis. A great num-ber of visitors attended the academy -Patrolman Rogers, of "sanitary yesterday to witness the exhibition prior to the long summer vacation. The usual to the long summer vacation. The usual series of exercises, music, drama, composition, recitations and distribution of premiums, occupied five hours, and afforded an interesting programme. This year only one young lady, out of the vast throng of studenss, graduated—Miss Johnson. She received her diploma after years of hard study and hard polish. There were half a dozen or so under Memphis and Charlesson in Tom Redthe fair-grounds, brought in Tom Redford, cotored, whom he caught in the
act of stealing his potato-plants, which
he had just set out. The gun missed
fire, or Tom would have been a dead
negro, instead of being tried for larceny.
'Squire Hall settled the matter yesterday.

being

made for the Masonic picuic and baby show, to be given at James's park on the twenty-fourth of this month. The occasion will be one of the happiest and merriest of the season. It is believed there will be at least two hundred plump babes on exhibition. The programs will appear in full in Sunday morning's Appear in full in Sunday morning in full in Sunday morning in full in Sunday morning in full in By the elemal law of compensation countries not possessed of signal service bureaus, for scientific observations of the weather, had the green-tree frog, which, being placed in a bottle of water, with a tiny ladder leading to the top, will mount to the surface when the weather is fine, and descend at the approach of storms. No barometer could be more trustworthy.

—Yesterday a man entered Silverberg's store, No. 183 Beale street, and abused him with the most foul language.

Mayor Loague arrested Silverberg and

pit. It is to be twenty-five feet high, eighteen feet wide, and ten feet deep. It ache, or neuralgia coming from the teeth, may be speedily and delightfully ended by the application of a small bit of clean cotten saurated in a strong solution of jammonia to the defective tooth. Sometimes the late sufferer is prompted to momentary nervous laughter by the application, but the pain has disappeared.

pondents to furnish them the names and numbers of Tenelent House Cigar Factories. We respectfully decline to his so. Those engaged in that business deny their practice to their customers, which plainly shows how much they feel the weight of our argument. We simply state that our factory number is 573, 3d collection district of New York, and that our firm name is printed on every box.
